

IWALK

IWalks connect stories from witnesses of the past to a location in the present.

Pedagogical objectives

- Interrogate time and space through testimony
- Connect macro and micro history (local-regional-global)
- Increase knowledge and develop understandings

Preparing your students for an IWalk

- Frame the historical context of the location
- Find connected content and activities on IWitness

IWalk App

- Download the app "IWalk - USC Shoah Foundation" from the App Store (iOS) or Google Play Store (Android)
- Explore the IWalk content

Sync to IW Account

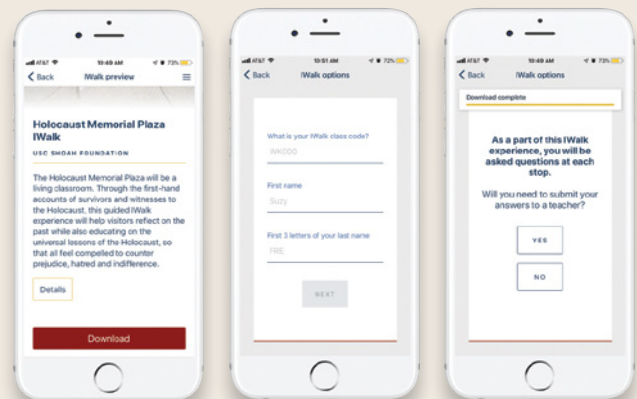

- Tap "Educator Login" located in the menu
- Enter your IWitness account email or create an account
- IWalk class code is generated and an IWitness group is created
- Provide students with the class code
- Students submit responses to your IWitness group

Students

- Download IWalk App (WiFi suggested)
- Download assigned IWalk (WiFi suggested)
- Connect to assigned IWalk class code to submit responses

Accessing Student Work

- Log in to IWitness
- Click on Dashboard
- Click on "Students & Groups"
- Find "IWalk Group" followed by class code
- Click the group to access all submitted IWalk responses
- Click "Check Student Progress" to see student responses
